Dear [redacted]

STAT

Upon my recent return from Florida,  
I found your good letter of March 31, 1958. I have sent  
along a copy to [redacted] who is an old friend of  
mine, with a statement that you and I were old and trusted  
friends.

STAT

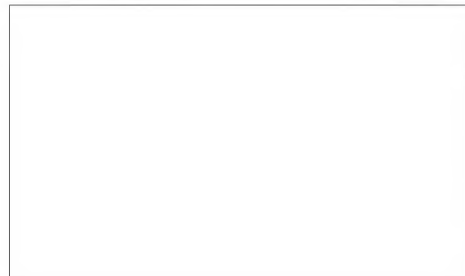

Many grave events are transpiring these  
days and I often think of you. I am trying to keep abreast  
of them.

Faithfully,

STAT
